### Dear Families

There has been much publicity regarding the effects of the drought on our farmers and the land. While we have enjoyed a relatively warm winter and sunny days, especially during the school holidays, we haven't realised that communities west of the Blue Mountains are suffering as a result of the weather. Lachlan W. in Year 3 has seen a need and decided to do something about it! Lachlan invited his family to support his desire to help farmers by asking them to donate money so he could raise \$500. He has already exceeded this! I'm sure many of you are keen to help out as well. Lachlan will speak at assembly on Monday morning, raising awareness of the situation. He will invite students to raise money which they can then donate next Friday. The money collected will be added to Lachlan's funds and sent to the *Buy a Bale* fundraiser. If you wish to support this cause you can donate directly through this [LINK](#) or at school next Friday. Well done Lachlan on your wonderful effort to help others!

Many of our Stage 3 students will be spending a few hours tonight sleeping under the stars at school in support of the SVDP Winter Appeal. The winter sleep-out allows students to feel what many in our society endure every night. The students have worked to raise funds to donate to Vinnies. Many thanks to Mrs Brown, Mrs Rose, Mrs Wetzlar and the Stage 3 teachers for giving up their evening to be with the students.

Each year our school looks for ways to support families with programs that upskill parents in raising children. These can be in the areas of resilience, behaviour or cyber safety. On 15 August, St Kieran's will be hosting *The Resilient*

*Child*, a course for parents highlighting ways that children can be encouraged to build resilience. The course is FREE but requires you to register through the school's email address. Details can be found in this newsletter.

I hope that you may take the opportunity to visit the classrooms next Monday between 9-9.30am to see your child participating in a numeracy lesson. The students enjoy having visitors to the classes so they can demonstrate contemporary ways of learning in Mathematics.

I look forward to seeing many of our Year 3 families at Mass this Sunday

God bless

Michael Gallagher  
Principal

## DROUGHT

Drought is caused by little or no rainfall on our land!

I saw it on the news, I heard my parents talking about it, animals have no feed or water and I felt sad that animals are suffering and farmers are struggling.

When there is no rain,  
It causes the land to dry up,  
There is no green grass or water for the animals,  
There is no growth of fruit, vegetables and grains,  
And then there is no money coming in for the farmers!

I asked my mum and dad if we could donate some money to help out, and then I thought maybe our school community might like to help as well. With my mums help we looked at all the places that we could donate and the one I chose is *Buy a Bale* -Helping support Australia's rural communities and Aussie farmers. *Buy a Bale* gives us options on what we want to donate, hay, water, diesel, hampers or money donations.

The farmers need our help and they need it now to keep their animals alive and their farms operating.

My target is to raise \$500 and that gives enough money to buy some hay bales, water and diesel for the trucks.

I'm very happy to say that of this morning we have raised over \$600 already so now I'm hoping we can double the target.

We have a really good school community and I know we can raise \$500 and if we try hard we might raise more.

Let's help the FARMERS!

Lachlan W 3V (*Buy a Bale* Website: <https://www.buyabale.com.au/> )

Enrolments are now open for Kinder 2019. If you have a child starting next year please download Enrolment forms from the school [website](#) and return to the school office as soon as possible.

## The Wind in the Willows Musical – Help Requested

# HELP

The Wind in the Willows musical is on Wednesday 22 August at both 11am and 6.30pm. We **desperately** require volunteers to help with ticket sales and serving during intermission but especially to help set up and pack up seating. If you can help please fill out the tear-off towards the end of this newsletter.

### Privacy and Safety

Due to privacy, safety concerns and child protection, we remind parents and visitors to our school that student toilets and areas in the Administration Building are accessible only by staff or other identified personnel.

**Should parents need to access a toilet there are toilets located at the top of the stairs near the entry to The Hub.** There are two toilets and the one with the sign **ADULTS** on the door is reserved for parents. If you're unsure of where the toilets are, please ask at the office. They are always open and available for access.

Similarly, the Staff Room is accessible only by staff or other identified personnel. If arrangements have been made for a specific meeting then of course, the attendees of that meeting may access the Staff Room.

There is a Meeting Room in the Administration Building which is often used for meetings and this room is to be booked via the office.

Thank you for your attention to this.

### Open Classrooms - Monday 6 August

A reminder: Our classrooms will be open on Monday morning, from 9.00 - 9.30am for parents to view part of a Numeracy Block. All are welcome to visit the classrooms and observe the great learning that takes place daily in our school

### Religious Education

Please keep in your prayers the students and parents who are preparing for the Sacrament of Confirmation. Confirmation will be on Saturday 11 August at either 10am, 12, or 3 pm. Parents are asked to ensure they have booked into one session. Please contact the Parish Sacramental Team if you have any queries.

### Broken Bay Bishop's Art Prize

The theme of this year's Broken Bay Religious Art Competition was "Illuminated Texts." Students were asked to find a line of Scripture that they could relate to and 'illuminate' the script with embellished font.

Congratulations to our school finalists who represented St Kieran's at the Diocesan level; Emilia G, Ana Luiza F, Daniel P, Andy B, Eva D, Isabel K and Illyra G. A round of applause is extended to Isabel K who received an 'Honourable Mention' at the Diocesan level, congratulations Isabel.

**Service Learning:** This evening many of our Stage 3 students will be sleeping rough. They are doing this to support the Vinnies Winter Appeal and will experience what it means to be homeless.

This hands on approach is called *Service Learning*. Service Learning resides in the middle of; thinking or knowledge (HEAD), reflecting (HEART) and performing relevant service (HANDS).

*Service Learning* can be practical where the learner serves others in some way eg: shoe shine, car wash. *Service Learning* can also be where the learner puts themselves into another person's shoes in order to gain an understanding of their plight. By taking part in the experience of sleeping in the cold dark playground, even with a cup of Mrs Rose's winter warmer soup and if only for three hours, we encourage students to be reflective and gain an insight of, and empathy towards, those who do not have any choice but to be homeless.

A huge thank you to the teachers who have prepared the students for this evening and who are spending their Friday night at school. A special thank you to the Stage 3 teachers plus Mrs Rose and Mrs Brown for their planning and generosity of spirit.

### Dates for the Diary:

- **Year 3 Family Mass** Sunday 5 August 9.30am
- **Confirmation** Saturday 11 August 10am, 12pm, 2pm.
- **Feast of the Assumption** Wednesday 15 August 10.00am
- **St Augustine's Feast Day Mass** Monday 27 August 10.10am
- **Father's Day Liturgy** Friday 31 August 8.45am
- **St Kieran's Day Liturgy** Led by Yr 3 Friday 7 September
- **Kindy Family Mass** Sunday 16 September 9.30am

*Mrs Kerrie Wetzlar, Religious Education Coordinator*

### Book Club

The current issue of Book Club is now closed. No late orders accepted.

### Lost Property

With all the media attention and programs aimed around reducing waste and taking more care of our environment, we have so many items of clothing left around the playground or at ASC. Many items are named, and that at least is a good thing, but many brand new items remain unnamed and many items passed down from one family to another (also a good thing) have names on them of children no longer at our school.

Clothing is expensive so could I ask all families to spend some time labelling clothing items clearly and following up with their children when clothing goes missing.

Thank you for your support in this matter.

*Wendy Rose*

### Band News

Just a reminder to make sure everyone is to arrive no later than 7:15am to rehearsals. Arriving late reduces our rehearsal time. It is very important to get as much playing time together as possible.

Also please make sure that your little musicians are practising ALL their band pieces that they have been given this year. New pieces will be handed out next week.

*Surrey Hodges, Band Conductor*

### Netball Congratulations

What an amazing finish to the PSSA NSW State Netball Carnival. Opal B captained Polding to equal first and it has just been announced that Opal has made the NSW State Netball Team!

This is the second NSW State Team for this year - firstly competing in Darwin for the NSW State Basketball Team in August and secondly competing back in Darwin in September for the NSW State Netball Team!!

An amazing achievement! Congratulations Opal.
