How to help your child become a better reader presentation

Drama Special Offer

St Kieran's P&F Car Wash

You are warmly invited to

Contemplation and a Cuppa

Please join us for **Parent Prayer** on Monday 2nd March in the Kieran Room. We will commence at 9am and our reflection will conclude by 9.30am. There will be a fresh plunger of coffee and something sweet for those who would like to stay for a chat afterwards. You will be well nourished on all levels to start your week!

The focus of our reflection is "Letting Go and Letting In". As we begin the new school year with dreams and visions, so we also enter the season of Lent with the invitation to be "re-made" in God's love. We are constantly invited to welcome the embrace offered to us by our Father – the embrace of one who loves us **as we are** not how we think we should be. As we begin the new school year and are trying to absorb and navigate the changes life beckons, we can delight and draw hope from God's immense love for us and celebrate with others on the journey.

So step out of the chaos and find some quiet for yourself. Join us for a meditation, some creative reflection, a cuppa and some cake. There is no need to RSVP, just come along...and bring a friend if you like.

As usual, we will place our blue Community Prayer book at the front office for those who would like to make a particular petition or pray for someone in need. We always include these prayers in our reflections for those who are unable to join us. If you prefer you can email your petition to me and I will ensure it is included.

Alternatively you can note a special prayer on the slip below and return it to the school office.

Look forward to seeing you there.

for your child?

Vickie Leung is the former director of the Multi-Lit Literacy Centre at Macquarie University. She has helped hundreds of children aged 4-9 learn to read well. Vickie specialises in supporting reluctant readers and their families as kids overcome problems and improve their reading, spelling and writing.

In this valuable 2 hour presentation, Vickie will help you to understand how kids learn to read. Her practical strategies will give you the tools you need to support your beginning or reluctant young reader at home.
