## Principal

### Dear Families,

Terri is away in Dubbo this week at a Principal's Conference. I know she was looking forward to wonderful learning and inspiring ideas!

Before Terri left, she asked me to pass on my thanks to all who contributed to the success of our Athletics Carnival on Monday. Thanks to Eliza Scott-Fell, Kayle Leathem and Ali O'Brien for their organisation. Thanks also to the amazing band of parents who assisted (tirelessly!) on the day. The level of organisation required for events such as this to run efficiently can never be underestimated. We found ourselves in different circumstances (due to the Carnival being cancelled in Week 1 of this term) but managed to run all races and events smoothly. A very sincere THANK YOU from Terri!

We have had some complaints from several parents and members of the public about inappropriate words and driving methods being used by some St Kieran's parents using the drive through pick up facility. Our busy lifestyle means that we are always seemingly in a hurry, but courtesy and safety are two very important actions that ensure all members of our community are treated with respect and in a manner that is safe. Our afternoon dismissal has one major purpose and that is to ensure all children (and families) leave our school premises safely each day. Please assist us so we can be successful in our goal!

A reminder to all parents, that it is our Open Classrooms on Monday morning (straight after Assembly). Our focus this time is Mathematics. Parents will view part of a Numeracy Block and at the end of the week, a Mathematics Workbook, or samples will be sent home for you to look over with your child.

Congratulations to Opal B who came 2<sup>nd</sup> in the Broken Bay Cross Country (U8/9 Girls). Oscar M who also came 2<sup>nd</sup> in the (U8/9 Boys) and to Kai M 3<sup>rd</sup> (U/10 Boys). What a wonderful achievement. Well done!

Have a lovely weekend,  
*Marisa Bombardieri*

## Religious Education Coordinator

*'Stronger Families, Stronger Communities'*

All children should be engaging in their Family Week homework via the family **orientated homework grid**. Homework need not be returned to school until the following Monday to allow families the weekend to participate in some of the family activities on the homework grid or indeed, add some of your own.

The paper doll chains representing our families have begun to arrive at school and they are fantastic. Look out for them in a window near you soon.

### **Don't miss an opportunity to learn more about your faith. Consider taking part in Catholicism – A Journey around the World and Deep into our Faith.**

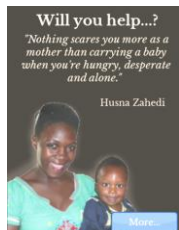

The Parish of North Harbour is hosting, free of charge, a series of ten lectures that explore Catholicism. **Each lecture is a standalone lecture** so you can participate as much or as little as you like. Catholic art, architecture, literature, music and the richness of the Catholic traditions are illuminated by Fr Robert Barron.

Date: Monday evenings from 18 May – 27 July. Time: 7.00pm – 9.00 pm / Location: St

Kieran's Parish Centre. Contact: The Parish Office 9949-4455

Please remember in your prayers the Yr 3 children who are preparing for the **Sacrament of the Eucharist**. Thank you to the parents, group leaders, teachers and Parish Sacramental team who are leading the children in their journey of faith.

The Parish of North Harbour is currently running an appeal to support the Asylum Seeker Centre at Newtown. The centre provides practical and personal support for asylum seekers living in our community. Over the next week each class will be asked to prepare a box of essentials items for an asylum seeking family. Notes will be sent home indicating which items are included in the essentials box. Thank you to those families who are able to assist in the preparation of these basic needs to those people who are without a country.

Next week is National Reconciliation Week. This year's theme is **"It's time to change it up"**.

Students will discuss what it means to 'change something up' and why it might be important to step up the focus or effort around reconciliation. Through storytelling, reading and viewing aspects of indigenous culture we aim to increase the children's understanding of Aboriginal and Torres Strait Islander peoples, their histories and cultures. Teachers will use the social justice model of Head (think, know), Heart (feel) and Hands (act) to explore the theme of Reconciliation.

### **Dates for your Diary: Term 2**

- Thursday 28 May - Mission Project Team: Mission Day at Narrabeen
- 7, 14, 21 June - First Communion dates

*Mrs Kerrie Wetzlar, Religious Education Coordinator.*

## Whooping Cough

There have been 2 cases of Whooping Cough reported at St Kieran's in Year 4. Symptoms start with runny nose, followed by persistent cough that comes in bouts. Bouts may be followed by vomiting and a whooping sound as the child gasps for air. Those affected are infectious until 5 days after antibiotic treatment has begun, or for 21 days from the start of coughing. Please consider seeking medical attention if your child has been coughing persistently.

For further information please call your local Public Health Unit on 1300 066 055 or visit the New South Wales Health website [www.health.nsw.gov.au](http://www.health.nsw.gov.au)

## Student Validation Forms

Forms for each child were sent home earlier this week. Please mark any changes in red pen (if possible), sign and return to school by **Friday 29 May** even if no changes have been made. ALL forms are to be signed and returned.

## Lost Property

Just a reminder to all families that all clothing needs to be marked clearly with your child's/ family name. If you inherit clothing from past families could you change the name on the tag. My job is endless, trying to work out who might own what! Clothing is only kept for a limited time and then handed on. Teaching your children the responsibility of taking care of their things is a lesson for life.

Also I have **four picnic rugs in my room** that were left at the athletics carnival. Happy to return them over the next week but then they go to Vinnies.

Thanking your for your cooperation  
*Wendy Rose*

## Library News

### Premier's Reading Challenge

Congratulations to the students who have completed the Premier's Reading Challenge this year. For those who are still reading, there is still plenty of time! It is also not too late to start either. If you have participated before, you can still use the same user name and password and every student in K-2 has been issued with a user name and password too. The class teachers have those, otherwise please see me in the library. In library lessons this term, two of the books we read are on the PRC so can be added to your child's list. They are, "My Grandad Marches on Anzac Day" by Catriona Hoy and "Family Forest" by Kim Kane.

### Book Bonus

Please remember that the Book Bonus is an option for students participating in the PRC. It is a great opportunity to raise funds for the purchase of books for the school as well as a school less fortunate than us. Many thanks to those families who have taken up the option to raise funds.

#### How Book Bonus Works

1. Students register online at [www.bookbonus.org.au](http://www.bookbonus.org.au)
2. Once their Book Bonus page is created, students and/or parents email family and friends with their unique link seeking sponsorship
3. Schools receive the \$value of the funds students raise for new books.
4. 50% of the \$value of the funds you raise will contribute to providing new books for priority schools in need across NSW.

## Band

I would just like to congratulate ALL the junior and senior band members who attended the workshop last Saturday. You all worked extremely hard and did very well with the tutors and rehearsal resulting in a great performance at the end of the day.

I am looking forward to the next one.

Warm regards

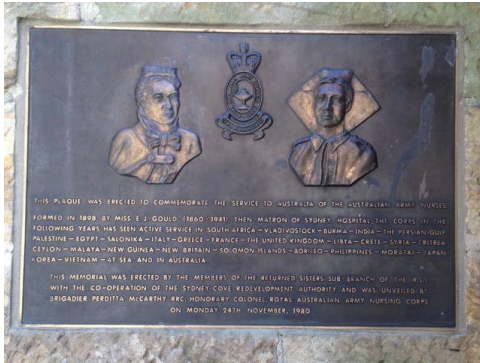

*Miss Hodges, Junior Band Conductor*

**Book Club:** The current issue of Book Club closed Friday 29 May. No late orders will be accepted.

### Year 3 Excursion to the Rocks

On Thursday 21 May Year 3 went on an excursion to The Rocks. We each got a profile of a person from the first settlement and I was lucky enough to be Captain Arthur Phillip! We saw the oldest house in Australia and learnt about convicts and Australia's settlement. *By Seb S*

On a sunny beautiful day, Year 3 went on an amazing excursion to The Rocks in the city. It was so much fun learning about the past and pretending to be a convict! It was also very interesting seeing Cadman's Cottage and reading all the poems that were written in the past. *By Jada S*

### Athletics Carnival

Thank you to the St Kieran's community for a successful athletics carnival on Monday. A special mention to all the parent helpers who assisted us on the day - these days are not possible without your help.

Congratulations to all students for their involvement in the school Athletics Carnival. It was fantastic to see colour house spirit and participation of all students. Thank you to Parents who volunteered their time and efforts to make it a successful day. The school peninsula team will be announced in the coming weeks.
