## Principal

### Dear Families,

On August 8<sup>th</sup> we recognise and acknowledge our first saint, Mother Mary Mackillop. Our church holds a special place for those men and women who go before us in faith, as examples and influences on our life. Mother Mary is one such example, to us especially, as she was one of us; an Australian. *Mary Mackillop was a Gospel person.* She brought the good news about our "Good God" initially, to the poor in outback Australia and then beyond. **Mary was an extraordinary woman who has much to say to us today.**

*"See the hand of God in all that happens" (1871)*

Mother Mary is in the company of all the great mystics here. It's very human to kid ourselves that if we could flee the pressures that weigh us down, then touching God would be possible. We yearn for somewhere quiet and peaceful; but if God is truly God, then divine presence is always with us.

Yet we keep wanting to look in other places. We can be unaware of the sacredness of where we are. We overlook the need to go inside ourselves, to seek the God within. We wait for God to come to us, but as Mary points out, GOD IS ALWAYS WITH US. It is all about growing in awareness of this. See the hand of God in all that happens – hard as that may sometimes be!

*In Him we live and move and have our being (Acts 17: 28)*

Parents are invited Prayer on Monday 10 August after morning assembly in the Kieran Room. This is a wonderful opportunity to be 'still' and find our God who dwells within.

### Congratulations St Paul's College!

This morning I attended the St Paul's 50 years celebration Mass at St Mary's Manly. It was a special occasion and I wish the St Paul's school community well for this occasion. It was such a joy to see so many of our ex St Kieran's students who attend the college.

### WELCOME Home Year 6!

Our Year 6's arrive back from their annual visit to Canberra this afternoon. I'm sure there will be some very tired children and teachers arriving back at school! I wish to acknowledge the teachers who give up much of their personal time (early mornings and late nights!) to allow the students to have this exciting and wonderful opportunity of learning and relationship building. There is much responsibility to take on for our teachers and I commend their efforts at this

time. I'm looking forward to hearing from our senior students during the coming week as I'm sure the memories made during these last three days will carry on well into their next years.

God bless,

Terri Paterson  
Principal

## Assistant Principal

NAPLAN results will be delivered to schools from the date of 18 August and so it will be sometime after that date that parents will receive their child's report.

The NAPLAN student report is very comprehensive and contains a very detailed analysis of the results. Areas of strength and areas requiring further attention can easily be identified by reading through the results.

In order to assist parents (particularly parents of students in Years 3 or 5 who sat for NAPLAN this year) ACARA (Australian Curriculum and Reporting Authority) in conjunction with NAP (National Assessment Program) have organised an information page on their website for parents to visit. This website can be found at the following link: <http://www.nap.edu.au/results-and-reports/student-reports.html>

Once the school has received the results, we too will be looking closely at the data provided by the results in order to identify future directions for Professional Learning as well as Teaching and Learning initiatives.

Enjoy the weekend!

## You are warmly invited to .... Contemplation and a Cuppa...

Please join us for **Parent Prayer** on **Monday 10<sup>th</sup> August** in the **Kieran Room**. We will commence at 9am and our reflection will conclude by 9.30am. There will be a fresh plunger of coffee and something sweet for those who would like to stay for a chat afterwards. You will be well nourished on all levels to start your week!

We will begin with a meditation and reflect on a beautiful old artwork entitled "**Mary, Untier of Knots**". I was recently introduced to this painting and it resonated on many levels. While unfortunately I wasn't travelling through Germany where it is housed in the Church of St Peter, the painting nonetheless found a home in me. I am no qualified opinion when it comes to fine art and trying to keep a clean house is about as artistic as I get, but immediately Mary Untier of Knots spoke to me as a mum, wife, colleague...and the many different hats I wear in any given moment...as I am forever trying to untie knots! The devotional prayer attached to the painting is used to ask Mary for help with struggles and problems for which we don't see any solution. These include family discord, particularly anguish and deep hurts in marriages or between parents and children, or general absence of peace and joy in the home. There are also the knots of depression, fear, unemployment, alcoholism, loneliness or violence to name a few.

As usual, we will place our blue Community Prayer book at the front office for those who would like to make a particular petition or pray for someone in need. We always include these prayers in our reflections for those who are unable to join us. If you prefer you can email your petition to me and I will ensure it is included.

Look forward to seeing you there for half an hour's escape from the busyness of our minds into the serenity of the given moment.
