Principal

Dear Families

From 6-12 March, our school will join with more than 620 Catholic schools across NSW and the ACT to celebrate the annual **Catholic Schools Week** (CSW).

We are immensely proud of our Catholic heritage, and are committed to celebrating and showcasing the achievements of students in our school. This year's theme is:

'I belong. You belong. We belong.'

The 2016 Catholic Schools Week theme ties with the Church's celebration of the Extraordinary Jubilee of Mercy, which recognises our Catholic faith values of forgiveness, compassion, strength, aid and love.

Our school is proud of the wonderful teaching and learning that takes place in our classrooms every day, as well as the contribution our schools have made to Australian communities, in particular the more vulnerable and disadvantaged members of our wider community.

Catholic Schools Week is also about strengthening relationships between all those that have a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community.

To mark this celebration of our schools, **St Kieran's** will hold an Open Day for prospective 2017 enrolments on 15 March.

The following week, on March 21 we will be opening our classrooms for current parents to view teaching and learning during the *Literacy Block*. The details for this:

- Time: 9.00 am -9.30
- Date: Monday 21 March

We value the mental health and wellbeing of our students and so, next week is our FALLOW WEEK. The students won't be bringing home any homework for that week. This is a wonderful time for families to slow the pace down for a week and enjoy some "family time" without some of the usual "busyness"!

Some suggestions for Fallow Week:

- Take the family to a park for the afternoon.
- Play a board game as a family.
- Go for a walk/bike ride.

- Have a movie afternoon or night.
- Play a game of soccer/cricket or football as a family.

God bless,

Terri Paterson

Jubilee of Mercy

Merciful Like the Father

Responding to the spiritual and emotional needs of others is a form of mercy.

Nurturing Forgiveness in your family is a work of mercy which has long lasting repercussions and a large ripple effect.

Here are some ideas to use with your family.

- having a family practice of saying sorry and reconciling with each other before the day's end
- praying for those who have wronged you and praying for the courage to forgive
- asking forgiveness from others
- letting go of grudges; going out of your way to be positive with someone you are having a difficult time with
- understanding the importance of and participating in the Sacrament of Reconciliation

Religious Education

Students and teachers have now moved onto their Lent to Easter modules of Learning. Whilst each grade learns about the events Holy Week and Easter, each grade will also focus on a particular aspect of the story in greater depth. During our Holy Week Liturgy each grade will focus on their specific part of the Holy Week Story.

Kindy: During Lent we do good things like Jesus Palm Sunday	Year Four: During Lent we serve others like Jesus did Washing of the feet
Year One: We can pray more during Lent Last Supper	Year Five: During Lent we pray, fast and give of ourselves Stations of the Cross

Sibling Enrolments 2017

Enrolments are now open and application forms are available [online](#) or from the school office. If you have a sibling starting at St Kieran's in 2017 we ask that you complete and enrolment form and return to the office as soon as possible. We ask that all enrolments are in by the end of May.

Should you wish to speak to your child's teacher please make sure you either send an email to Administration requesting an appointment or call the school to make an appointment. Teachers have a **duty of care** to their students when they are in their classrooms teaching and when moving into and out of classrooms, or on playground duty. These times are not appropriate for discussion regarding your child's progress.

School Fees

It is important that fees are paid on the due scheduled date. If you are paying in 3 standard instalments the first instalment was due last **Friday 26 March**. Please contact the office if you wish to discuss your fees.

Book Club

Orders for the current issue of Book Club are due back by the morning of Friday 11 March. No late orders will be accepted.

Premier's Reading Challenge

The Premier's Reading Challenge opens next Monday 7 March and already students are enthusiastically reading their books.

All information regarding the challenge can be found on the PRC website, <https://online.det.nsw.edu.au/prc/home.html> Students will be given their user names and passwords if they wish to participate. If your child has participated before, their user name and password remains the same. While waiting for this, students should keep a list of their books read.

In library this year, the students in K-2 have listened to the following stories which can be added to their PRC list:

- Library Lion by Michelle Knudsen
- Dewey, there's a cat in the library by Vicki Myron

What a great start for K-2 students!

We are also very excited to be participating in the **Book Bonus** again this year. Students can seek sponsorship from family and friends for the books they read in the PRC. It's a great way to get new books for the school but it also provides books for students at schools less fortunate than us.

Information can be found at www.bookbonus.org.au

See also the flyer in the newsletter.

Drinks Under The Stars

Thanks to all 135 of you who attended our first P&F function for 2016! It was a beautiful summer night with the eye-catching decorations and lighting creating a fantastic atmosphere. The night wouldn't have been the success it was, if it wasn't for the food catered by Jason Hook and his team ('Crafty Cook' <http://www.craftycook.com.au>) which was absolutely delicious and plentiful, enjoyment of the 'bibliothèque' sparkling & wines; and beers provided through Bayfields at Dee Why. Thanks also to Party Time Hire (Hartley family Yrs 5 & 2); Wind Surf & Snow (Parker family (1R & Kindy) for the prizes; the Gennusa family (Yrs 6 & 4) for the skin products and to So Sensational Cakes (Saady Family: Yr 3 & Kinder) for the 'SK Champagne Cake' and prizes.

Congratulations to our raffle prize winners, Michael and Nicole Keating, Sam Parker, Jocelyn Schoene, Beata Kromrich and Andrew Noble. Thank you for the volunteers who helped organise, setup, clean up and serve drinks and food for the event.

The P&F will unveil the calendar of events at the next P&F meeting, Monday 14 March and look forward to sharing these exciting events with you. As I mentioned on the night the P&F team is looking to continue to make a difference in 2016/2017 and we look forward to your participation, including the completion of our survey <https://www.surveymonkey.com/r/StKP-Fsurvey> which closes on Monday, 7 March.

Fundamental Movement Skills

There is evidence that children with poor fundamental movement skills are less likely to be active.

There are 12 fundamental movement skills (FMS) that form the building blocks children need to enjoy participating in games and sports throughout their lives.

Give your kids a head start and teach them these skills:

- | | |
|-------------------------------|---------------|
| 1. Striking a stationary ball | 7. Running |
| 2. Overarm throwing | 8. Leaping |
| 3. Bouncing | 9. Kicking |
| 4. Underarm rolling | 10. Hopping |
| 5. Side sliding | 11. Galloping |
| 6. Catching | 12. Jumping |

Be healthy – be active

Children and adults need physical activity every day. Activity helps build better bones, muscles, joints and helps maintain a healthy weight. Physical activity can also reduce the risk of heart disease, type 2 diabetes and some cancers. Get active anyway you can - walking, riding, sports, swimming and playing active games.
