Our Newsletter is changing

As a result of surveys, parent feedback and discussion at our last P & F Meeting, we will be changing the format of our newsletter. Starting Term 2 our Newsletter will now consist of two main components:

COMPONENT #1 St Kieran's Chronicle

This will be prepared weekly. It will consist of a calendar and some specific items e.g. Communication from the P & F. The calendar will list upcoming events three weeks in advance. Items listed in the calendar will be hyperlinked so that parents who are interested in a particular item, will be able to either read more or print out related documentation.

COMPONENT #2 The LEARNING Quarterly

This will be prepared quarterly (or each term). It will consist of detailed initiatives and directions in our teaching and learning here at St Kieran's. It will inform parents of current practice and programs or projects. The items will fall under the headings of: **Teaching and Learning** **Mission** **Pastoral Care**

Dear Families

This Sunday begins Holy Week; Palm Sunday, when Jesus entered Jerusalem and began the journey towards his passion on the cross. Within a week Jesus would be betrayed and deserted by those he loved, handed over by his own people to the authorities, tried and condemned to death. In all this he could see the front side of his own passion; in spite of what he saw his Palm Sunday journey went on. Jesus faced up to the realities of his own destiny.

Because of our own human nature we each have our own private Palm Sunday experience or journey where we might be exposed to personal pain or illness, family

problems, lack of financial ability, loss of employment, difficulties with our children or perhaps a growing sense of emptiness. Perhaps this Palm Sunday we might take time to reflect on the journey of our own life, to draw strength from the courage Jesus showed in accepting the realities of his own life. Maybe we might pray for a strong faith in our life so that Easter and Resurrection are beacons that draw us 'home' at the end of our own journey.

This Sunday our Year 1 families will gather for Palm Sunday Mass celebrated by Fr Dave Austin. Next week all families are invited to the church of St Kieran on Thursday 24 March at 12pm as the students present their Holy Week liturgy. Parents are able to take their children home after this liturgy but please ensure you notify their class teacher.

Homework Policy

This year there will be a review of the 2012 St Kieran's Homework Policy. As discussed at the P&F this week I would like to call for a forum of parents, teachers and students to assist in this process of review. Greg Whitby, executive director of schools for the Catholic Diocese of Parramatta writes in "**top of the class**" for the local press this week that a homework rethink is needed.

"Parents tend to equate homework with good learning and teaching; the more homework the better the outcomes. However, quantity doesn't equate to quality especially in education. We shouldn't think that more homework, technology or even funding will result in better learning outcomes."

If you would consider being in a forum group to give a perspective on the current 2012 St Kieran's Homework Policy please notify the school office in the coming week. I am looking to have a forum with parents, teachers and students by the end of the term to revise and update the current policy.

Complaints Handling Training for Schools

Yesterday Julia Postle and I attended a *Complaints Handling* Seminar (Ombudsman New South Wales) provided by the diocese for leaders in schools and senior administration officers.

My keen learning from the day was in regards to strategies that the school can further adopt in resolving conflicts and managing complaints. Another learning I took from the day was the benefit of reviewing feedback and parent comments and the possibilities this opens up for the school. I greatly valued the engagement and commitment of the parent community who attended P&F meeting and the members of the School Board at meetings held this week.

God bless,

Terri Paterson

Open Classrooms

This is a reminder that we will be opening our classrooms to parents on Monday morning (21 March) from 9.00am (just after Assembly) until 9.30am. Come in and view **Literacy Block** in action. See your child working on tasks that are specifically designed to meet explicit needs.

Online Booking for Parent Teacher Interviews.

Many of you have been booking your interviews online and so places are starting to fill up. I have included below the information regarding Parent Teacher Interviews, from the last newsletter and urge to book your time before **next Thursday** when the site will be **closed**.

You will be able to access the School Interview website (in order to make bookings) from **Monday 14 March** until **Thursday 24 March**. It will be **closed** at 3.00pm on the Thursday (March 24th)

These interviews will involve all grades from Kindergarten to Year 6. Parents of children in Years K-6, please follow the prompts below.

Go to www.schoolinterview.com.au and follow these simple instructions.

Go to www.schoolinterview.com.au
and enter our school code.
Then follow 3 easy steps.

STEP 1 is where you REGISTER. **Please note that even if you registered last year you may need to register again.**

AFTER you have completed **STEP 1** (Registration) you will be sent a pin which will allow you to then access the **Schoolinterview** website.

STEP 2 – once logged in you will be asked to enter the names of the students you wish to make a booking for. (i.e. the names of your child/children). When you have done this, click on **go to bookings** and use the drop down menu to **choose the correct year level** for your child/ren. You will then need to click on the drop down menu **add a class** in order to select the appropriate teacher for your child.

STEP 3 – Click on the class teacher and select a time!

NB*** Year 6 parents must **only** book in with Mrs Jane Hocking. Mrs Hocking and Mrs Watson will both be present at the interviews but for “ease of booking” – make sure you select **Mrs Jane Hocking** to book a time!

When you click finish, you can either print your interview timetable or email it to yourself! If you don't receive an email straight away – check your junk mail folder. Also, if something comes up you can return to www.schoolinterview.com.au and change your interviews until bookings are closed by the school.

- Remember interview times cannot be changed or cancelled after **Thursday 24 March** when bookings will close.
- If you don't have internet access or need any assistance with bookings, please speak to your child's teacher.
- If there are no suitable times available on the schedule, please inform the class teacher via a written note.

Should you find, that after **Thursday 24 March** (due to an emergency) you cannot attend the arranged interview please contact the school office.

Please note – Interview times have been organised into 15 minute timeslots as the actual interview is **15 minutes** in duration.

For parents who have more than one interview please ensure that you **do not book** consecutive interviews but that you **allow at least 15 minutes between your interviews** in order to allow for a smoother and more time efficient “flow” to the interviews. As you can appreciate, finishing one interview at e.g. 3.30 and then beginning the following interview at 3.30 does not allow for movement and may then have a flow on effect in terms of time management.

Please find attached to this Newsletter a form which parents should **print out** and **fill in**, returning it then to the **appropriate classroom teacher**. This form assists teachers to better inform you of key issues you may wish to discuss regarding your child. We ask that you return the form to the class teacher **as soon as possible**. Thank you in anticipation of your attention to this!

Also....The children in Years 2-6 are expected to attend and **be involved** in the interview process. We believe that students are empowered when included in this process. Research shows us that children who reflect on their learning are better able to plan for future learning, set goals and accept responsibility for their learning journey. These are the skills we aim to develop in our students at St Kieran's because we believe they are valuable aptitudes to have as members of modern society in the 21st century.

Have a lovely weekend!

Responding to the spiritual and emotional needs of others is a form of mercy.

Jubilee of Mercy
Merciful Like the Father

Under the banner of responding to need is the teaching those lacking knowledge/understanding.

In your family this act of mercy, and patience, may look like:

- helping with homework;
- showing children how to grow plants/vegetables, clean, make things;
- establishing and enforcing house rules;
- committing yourself to learning about the Catholic faith and sharing your understanding of the faith with others;
- sharing your insights, knowledge, and skills with others, especially friends, fellow students, co-workers;
- taking time to 'tutor' those who are just beginning tasks.

Attached to today's newsletter is a family oriented Way of the Cross that you may wish to read and pray with your family.

Congratulations to the children of the Parish and School who have completed their First Reconciliation. Thank you to their parents, teachers and group leaders for their evangelising work in passing on our faith to our children. Thank you to the Parish Sacramental Team and to the Priests of our parish for facilitating the Sacrament of Reconciliation.

YOU ARE INVITED:

All families, friends and parishioners are invited to attend our **Holy Week Liturgy on Thursday the 24 March in the church.** Our remembrance of Jesus' journey to the cross commences at **12.00pm**

Dates for your Diary

ICAS Competitions

Dear Parents

Educational Assessment Australia (EAA) conducts an Academic Competition called 'International Competitions and Assessments for Schools' (ICAS) for students in Years 3 – 6 who are achieving at a high level and wish to participate in the competition.

Due to increasingly stringent compliance expectations our school Assessment Policy requires that we implement a comprehensive and detailed program of assessments and as such we are able to gather a very thorough and specific understanding of the students' individual ability. This then impacts on the time dedicated to teaching and learning and so we are required to monitor that mandated times for teaching and learning are met. Taking all of this into consideration then, we've had to make decisions which will ensure that quality teaching and learning time is not continually "eroded" by additional activities.

As is our normal practice, we are offering the competitions in the areas of Writing, English and Mathematics to students in Years 3-6 only. The competitions will be held on days mandated by EAA, however they will be held **at 8.00 am rather than during school time**. The dates are as follows:

Writing Wednesday June 15 - (Cost: \$18.70)

English Tuesday August 2 - (Cost \$8.80)

Mathematics Tuesday August 16 - (\$8.80)

Should you wish that your child enter **one** or **multiple** subject area/s for this competition you will need to...

1. *Fill in the form attached indicating which of the competitions will be entered.*
2. *Enclose cash, a cheque made out to the school or complete credit card details, for the correct amount of money.*
3. *Ensure that on the day of the competition your child/ren is/are at school by **7.50am** in order to commence the competition.*

Please return the form and correct money in a labelled envelope to school by Thursday 31 March. **All competitions, regardless of the sitting date will need to be paid for by this date.** This is to facilitate a more efficient processing method. (Please note: Cheques to be made payable to "St Kieran's School").

Kind regards,

Marisa Bombardieri, Assistant Principal

The National Day of Action against Bullying and Violence

This year the 'Action' day is on Friday 18 March. It is an opportunity for the whole school community to 'take a stand together' against bullying and violence.

The day is an initiative of the Safe and Supportive School Communities Working Group made up of all Australian education authorities. It is managed on behalf of Australia's government. The day is recognised so as to send a powerful message that **bullying and violence is never okay**. So we stand together at St Kieran's to say: **Bullying. NO WAY!**

At our school we aim to create a safe and supportive school community for everyone. Sometimes, it can be difficult for parents or carers to know what to do when their child talks to them about bullying. You are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need to: who, what, where, when. Although you may feel some strong emotions about your child's experience, try to keep calm to avoid more distress to your child.
2. **Reassure** your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, 'That sounds really hard to deal with. No one should have to put up with that.' or 'I'm so glad you told me. You should be able to feel safe at school; that's not fair at all'.
3. **Ask** your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.
4. **Visit** www.bullyingnoway.gov.au to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.
5. **Contact** the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child's teacher and, if you need to, ask to talk with the principal. Contact the school immediately if you have a concern about your child's safety.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story.
2. **Reassure** your child that they are not to blame.
3. **Ask** your child what they want to do about it and how you can help.
4. **Visit** www.bullyingnoway.gov.au to find some strategies.
5. **Contact** the school.
6. **Check in** regularly with your child.

BULLYING. NO WAY!

www.bullyingnoway.gov.au

6. **Check in regularly** with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important

Year 5 Fundraising

Year 5 has been discussing service to our community. We would like to work for a gold coin which will be donated to CARITAS.

The services we have decided to perform are polishing shoes and washing class desks.

Next Tuesday and Wednesday, before school, at morning tea and at lunch time Year 5 students will be in the playground polishing school shoes for a gold coin donation. During the day we will also visiting classes during their sport time to clean desks, again for a gold coin donation.

Thank you for supporting our service to our community and CARITAS.

Project Compassion Boxes

Many families have undertaken giving up treats in their family and placing the money in their Project Compassion box. These boxes are due to be returned to the school over the next week. The Mission Team will be collecting the boxes from the classrooms at 12.00 each day next week. Once again thank you for your support of CARITAS Australia.

Whooping Cough

We have had a case of Whooping cough reported in the school. Here is a brief outline of symptoms and care:

- **Time from exposure to illness:** 7 - 20 days.
- **Symptoms:** Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.
- **Do I need to keep my child home?** Yes, until the first 5 days of a special antibiotic have been taken.
- **How can I help prevent spread?** Immunisation at 2, 4, 6 months and 4 years of age. A special antibiotic can be given for the patient and close contacts. Case should be excluded from childcare and school until 5 days after treatment begins. Unimmunised contacts may be excluded from childcare unless they take the special antibiotic.

Further information can be found at: <http://www.health.nsw.gov.au/Infectious/factsheets/Factsheets/pertussis.pdf>

'Beauty Bank' Appeal

A **big** thank you for the generosity shown from our school community to all those who brought along things for the 'Beauty Bank' appeal. I was overwhelmed once more. It is so special to be a part of this giving community.

Wendy Rose on behalf of the Mission Team

Sister Marilyn Kelleher SGS

Last Saturday 12 March Sr Marilyn Kelleher died peacefully at Bethany Nursing Home, Eastwood, after a long battle with cancer. Many of the Stella College community would remember Sr Marilyn for her keen intellect, her lively disposition, her sense of humour and her passion for Catholic Education. Sr Marilyn also had a love of history and she had great knowledge of the history of the Good Samaritan Sisters.

Sr Marilyn was Principal of Stella Maris College from 1982 until 1993. Many of the current staff and ex-students have fond memories of her and her time in leadership here.
