### Dear Families,

Two years ago I was fortunate to have spent some time in Ireland and visit Clonmacnoise, the monastic community established by St Kieran on the picturesque Shannon River. Irish monastic sites such as Clonmacnoise became the first universities and preserved and instilled the classical teachings in Europe. Irish monasteries continuously produced large numbers of missionary teachers and scholars in Europe, and became the centre of classical scholarship until the Viking invasions from 875 onwards.

There are many legends and stories connected to St Kieran (Ciaran). What is known and recorded is that St Kieran was a man of prayer, of fasting and labour, trained in all the disciplined ways, humble and full of faith. However, Kieran's administration of his monastery was short lived; he was struck down by the plague and died on 9 September 544. Dying before he was thirty-three, it is all the more remarkable that the reputation and fame of his great monastic community lasted for so many centuries. Today, pilgrims like myself, travel to Clonmacnoise to visit the shrines and ruins and reflect on this once great monastic community.

Each year the students and staff at St Kieran's school, Manly Vale, celebrate their patron saint by having a special prayerful liturgy followed by a mini-fete. The children, supported by their teachers, set up a variety of fun activities where they experience being part of their own vibrant learning community.

**A very BIG 'thank you' for the outstanding efforts of the St Kieran's P&F executive; Cam Matthews (1L), Jo Quarrell (3B & 1R), Kathy Sui (2S & 1L), Vaughan Saady (3B & KR), John McKee (1R), Steph La Greca (4U, 2B, 1R) and other parent helpers. The Fathers' Day Breakfast was a special event for our Dads and their children and the Gatsby Night a huge success. I sincerely thank you for the wonderful support you provide for the school. These P&F events give opportunities for our parents to experience the wonderful spirit that is such a big part of this wonderful school community.**

Congratulations to Mrs Kerrie Wetzlar who successfully completed her contract renewal as Religious Education Coordinator last week. This means that Kerrie will continue in her role as REC for another three years. Next week Kerrie takes two weeks of long service leave. Mrs Anne Christopher will be in 5W during this time. We wish Kerrie every blessing and a safe and relaxing break until she returns to begin Term 4.

To the parents who supported the School Junior and Senior Band fundraising BBQ on Wednesday – THANK YOU!!!

The next P&F meeting is on Monday 19 September at 7pm. All welcome to attend.

God bless,

Terri Paterson  
Principal

A **huge congratulations** to Opal B who today won the High Jump Gold Medal and equalled the Polding record. Opal now goes through to the State Championships at Homebush. We are very proud of you Opal

SCHOOL NEWS

**Lunch With The Stars**

On Tuesday 30<sup>th</sup> August, the Library Team and a few other Year 6 students, alongside Mrs McGuire, participated in Lunch With the Stars. Other schools from the area came along too. We all had an amazing experience dressing to the theme of an author's genre. St Kieran's had the author Jill B Bruce, who writes non-fiction Australian books so we dressed to an Australian theme. We listened to Deborah Abela speak about her latest book and how it was set in Malta where her father was born. After that, Marjorie Crosby-Fairall spoke about illustrating and gave us some useful tips for drawing. Nick even won a prize for his!

For lunch we had tender chicken breast with crackling roast potatoes and juicy salad. For dessert we had a creamy vanilla ice cream. After lunch, the students were allowed to walk around and get all the author's signatures and have a lovely chat. We were also able to purchase books written by the authors and then get them signed. We all had a stupendous day!

**Author visit for K, 1 and 2**

Jennifer Truswell is a zoo keeper, a dog trainer and an amazing author! She spoke about her fantastic experiences with the animals at the zoo. Her favourite animal is the tree kangaroo. We learnt that she looks after animals at home as well as at the zoo. Her book is called, "Pouches, Paws, Tails and Claws" and it rhymes. We love this book because it does not just teach you about kangaroos and koalas, it teaches you all about other Australian animals too.

### Religious Education

Congratulations and thank you to our Year 1 teachers and students who prayerfully lead our Father's Day Liturgy with the "Our Father" prayer and beautiful heartfelt prayers from the children. Breakfast on Father's Day doesn't just happen. We extend a thank you to all the cooks and cleaners who worked together for an upbeat and successful Father's Day celebration.

Thank you to also to Year 4 students and their teachers for a prayerful St Kieran's Day Liturgy. This was a great way in which to kick off our St Kieran's Day celebrations. St Kieran certainly did have huge impact on many people during his life of serve to God.

St Kieran was born in Connacht, Ireland. Following study and working for the poor he built a monastery on the banks of the Shannon River in Offaly. This monastery became a great centre of Irish learning, prayerfulness and devotion. St Kieran is known as one of the twelve apostles of Ireland and Ireland's earliest Saint.

Yours in Religious Education,  
*Mrs Kerrie Wetzlar*

### **School Fees**

There are a number of families who have fallen behind with their fee instalments. The Catholic Schools Office have advised that unpaid fees be referred to our Fee Administrator at the Diocese for collection. Reminders have been sent home this week to all families to pay their outstanding amounts immediately to avoid further action.

Should you be experiencing difficulty in meeting your fee commitments please call the office to make an appointment with Terri Paterson.

### **Important reminder to all parents**

At St Kieran's we are fortunate to have many **parents who volunteer their time** to help run events such as Mother and Father's Day breakfast, band fundraising, school disco, book club, Drinks Under the Stars etc. We also have other events where the office needs to collect money such as book orders for the recent Author visits.

**It has become increasingly common for parents to send in notes after the return date.** This makes organisation of events and catering for events extremely difficult and time consuming for our volunteers.

We always endeavour not to let children miss out because their note has been sent in late, however, we would appreciate your consideration of those who run these events and ask you to **PLEASE RETURN NOTES ON TIME.**
