#### Dear Families,

*Dear God,  
We celebrate spring's returning and the rejuvenation of the natural world  
Let us be moved by this vast and gentle insistence that goodness shall return,  
That warmth and life shall succeed, and help us to understand our place within this miracle  
Let us see that a bird now builds its nest, bravely, with bits and pieces  
So we must build human faith.  
It is our simple duty; it is the highest art; it is our natural and vital role within the miracle of spring:  
The creation of faith.  
Amen*

God bless,

Terri Paterson  
Principal

### SCHOOL NEWS

#### Student Safety

Parents may be aware (via the Manly Daily) that police are seeking assistance to help identify a man who was seen following an 11 year old girl on her way home from school. It may be prudent to be extra vigilant and to speak to your child if he/she walks home from school in the afternoon.

## St Kieran's Day

Thank-you to all those families who so generously contributed goods and/or money for spending at our St Kieran's Mini Fete. Our mini-fete is a tradition at St Kieran's where we celebrate St Kieran's Feast Day with a Liturgy and then a section of the day is given over to the mini fete.

The children were beautifully behaved and reverent at the Liturgy which set the scene for a lovely feeling of community.

We raised almost \$3000 which was mind-blowing. Best of all, the children really "get" what we are all trying to teach them about charity and giving. It brought a tear to my eyes when I walked around with a cardboard box at the end of the fete and lunch time and I didn't need to say a word, children were looking out for me so that they could drop coins into the box because they understand about "mission".

On behalf of myself, Mrs Brown and the Mission Team we would like to congratulate everyone for the marvellous efforts of last Friday and the on-going commitment to the various appeals and "mission initiatives" carried out at St Kieran's.

## Engage 2016

Our Engage program continued this week with our Year 3, Year 4 and Year 5 groups. Year 6 students led small groups with a focus on **Relationship Skills**.

Next week we will conclude our Engage program with a focus on developing **Responsible Decision Making** skills. Congratulations to our Year 6 students who have led their groups with enthusiasm and commitment each week. Not only have they prepared and organised all the fun activities and games, but they have developed their own leadership skills.

For more information about SEL (Social and Emotional Learning) please see the Kidsmatter website - <http://www.kidsmatter.edu.au/> Here are some photos from Monday:

## School Fees

There are a number of families who have fallen behind with their fee instalments. The Catholic Schools Office has advised that unpaid fees be referred to our Fee Administrator at the Diocese for collection.

Should you be experiencing difficulty in meeting your fee commitments please call the office to make an appointment with Terri Paterson.

## Children arriving to school late

If your child arrives at school after the bell has rung, **they must be signed in at the office by a parent**. Late arrivals cause disruption to the classroom teacher and students as well as being unsettling for the child themselves. Absences are recorded on the class roll and included on your child's report.

## St Kieran's Band

It has been a busy couple of weeks for our band. Our sausage sizzle last week was a great success and raised \$458.30 which will be used towards purchasing a new drum kit and amp. Huge thanks to the parents who assisted on the day - Jo Allen, Jo Quarrell, Ali Malone, Sascha Scholtens and her mum, Kaye, Greg Dunn, Katherine Williams and

Edelvine Rigato. We couldn't do it without you. We were also ably assisted by our band captains manning the sauce station.

Last Saturday the Junior and Senior Bands performed at The Concourse Chatswood as part of the NSSWE (Northern Sydney Symphony Wind Ensemble) Spring Festival. All our musicians performed wonderfully and enjoyed the thrill of performing in a proper public venue.

## PARISH NEWS

### **GIFT update**

Thank you to all the parents and teachers who have participated in GIFT cook-offs this year. [GIFT](#) is a parish outreach program that, among other things, delivers freshly cooked meals to the Link Food Care program in Cromer where they are distributed to over 700 families in need within our local area. So far this year, GIFT has cooked over 2020 meals! The cook-offs that are organised by the St Kieran's class mums & teachers contribute around half of these meals, so thank you all for your commitment and cooking skills so far this year.

Phil, who has run the Link Community Food Care for many years, is moving on to new ventures and before leaving he sent the following message for the GIFT Team.

*"We are tremendously grateful for the meals GIFT continues to supply Link Community Food Care. The provision of the meals lifted our service to a new level and blesses families every week. It is not just the food that blesses but the knowledge that someone else cares for them. They obviously know we care at Food Care, but knowing that someone that doesn't even know them cares enough to provide the meals speaks volumes for our faith."*

Special thanks must also go to Winnings at Brookvale for contributing a brand new washing machine for a single mum of 4 children who could not afford a new one. Winning Appliances are very generous to the needs of the local community. If you're thinking of replacing electrical appliances at any time, please keep Darren from Winnings at Brookvale in mind! There are still cook-offs coming up for a number of year groups, so please contact one of your class mums if you'd like to participate. Thanks again everyone for your help in making these meals. You are all really making a great difference. Jane Smith (on behalf of GIFT)
