### Dear Families,

While we feel spring is in the air, the last days of winter weather has lingered and with all the 'bugs' that are floating around the school, the children and teachers are very much looking forward to their break with the opportunity to rest and recover. The term has gone by quickly it seems, and we are now entering the final and last term for the year. I would like to acknowledge all parents who have supported the school throughout the term in many different capacities.

Very early on Wednesday morning the very excited Year 6 students, accompanied by their teachers, Jane Hocking, Geraldine Watson and Patrick Sheedy, were farewelled by their parents as they headed off to Canberra on excursion. This is such a wonderful time for our senior students and much has been planned for them during their three days away. I was able to join them in Canberra on Thursday for the day and the time spent at Parliament House and the Australian War Memorial was indeed special. I will welcome the Year 6 students and their teachers on their return this afternoon where I'm sure the teachers will enjoy the beginning of their term break!

Congratulations to the Stage 2 students who came back to school from their Gala Day on Tuesday with the Cricket and Soccer trophies, now proudly displayed in our foyer area. Well done!!! Thank you to those parents who were able to assist the teachers; your support is greatly appreciated

As mentioned in earlier correspondence, the term 4 **Staff Development Day / Pupil Free Day is on Monday 17 October**. This occurred due to the availability of our presenter.

May I take this opportunity to wish all families a special and happy holiday. Please note that school resumes on Monday 10 October (this is not a Staff Development Day for St Kieran's) and the students will be returning wearing their summer uniforms.

God bless,

Terri Paterson  
Principal

**Nonna Anita Comes to St Kieran's**

On Wednesday 14 September, Nonna Anita came to St Kieran's again. Year 6 were very fortunate to have Nonna come and prepare her wonderful pasta for them. Early that morning the wafting smell of her marvellous sauce drifted through the staffroom. She made penne with a meat sauce (Pasta alla Nonna) and she explained that the secret

was to cook the sauce for over an hour and a half.

"It was a melt in the mouth experience!" suggested Rose C. "The pasta was buonissimo!" said others. Dahlai even scoffed down three servings in minutes then asked for more! After we had finished we all thanked Nonna Anita and Diana one by one. It was a great morning.

### **Gala Days**

Congratulations to all students for their involvement in either the Cricket, Netball or ALF Gala Days held on Tuesday and Thursday of this week. It was wonderful to see such enthusiasm, sportsmanship and school spirit from all students involved.

These Gala Days are planned to give students the opportunity to be a part of a team and to perhaps try a new sport

in a non-competitive environment. A special thank you to our wonderful parent helpers who volunteered their time to coach, as these days cannot be held without you!

Stage 2 was very successful, taking out overall winners of Pool A in Cricket and Netball, an excellent achievement!

### **Year 4 Science**

Throughout Term 3 I have been fortunate enough to work with the Year 4 students and their teachers with their Science and Technology unit. The students have been learning about the effect of adding and removing heat to a range of solids and liquids. The students then used their new knowledge to design a product that will stop ice blocks from melting throughout the day. Not only did the students develop a deep understanding of heat but also learnt how to plan and implement their own fair tests and how to design a working solution. Their natural enthusiasm, interest and curiosity is a true testament to their passion towards Science and Technology. Every week the students showed not only their intelligence but worked collaboratively and diligently. Congratulations Year 4 and to their teachers for an amazing term of learning.

## **PARENT NEWS**

### **Volunteers Required for P&F Bunnings BBQ and Cake Stall Fundraiser**

Following on from the success of the recent Great Gatsby Ball, and as previously communicated, our P&F are looking for volunteers to help out with a Bunnings BBQ and Cake Stall fundraiser! This is our last event before closing the year with Christmas Carols. As previously communicated, Bunnings have contributed significantly to various P&F events this year and it's our opportunity to give back to the community and give our support.

This will be held **at the Bunnings Balgowlah store on Sunday 16 October - 8am to 4pm.**

We need volunteers to spare 2hrs of their valuable time between 8am and 4pm. There will be 4 x 2hr shifts across the day and we need a minimum of 5 volunteers per shift as outlined below:

- 8:00am -10:00am Minimum of 5 volunteers needed (3 BBQ : 2 Cake Stall)
- 10:00am -12:00 pm Minimum of 5 volunteers needed (3 BBQ : 2 Cake Stall)
- 12:00pm - 2:00pm Minimum of 5 volunteers needed (3 BBQ : 2 Cake Stall)
- 2:00pm - 4:00pm Minimum of 5 volunteers needed (3 BBQ : 2 Cake Stall)

In total the P&F require a minimum of 20 volunteers across the day.

The P&F will be selling cakes on the day so if any mums or dads are able to contribute that would be greatly appreciated. These were absolutely red hot at the Election Day and Car Wash and we completely sold out!!... so we're really looking forward to selling more cakes, slice, muffins or your own crowd favourite! Your support would be greatly appreciated in baking.

The P&F will be handing out cake boxes closer to the event, but please only take one if you are going to bake as these do cost money.

**All funds raised will go to funding improved playground facilities and IT equipment.**

Please click on the link provided below to lock in your time or contact John Mckee via email on [keeplan@bigpond.com](mailto:keeplan@bigpond.com) if you are able to give of your valuable time. Registration will need to be done from a computer - <http://bit.ly/2coKEFE>
