### Dear Families

Last Friday you would have received a letter emailed from the Director of Catholic Schools Broken Bay, Mr Peter Hamill, updating you on the *Gonski 2.0* proposed funding for Australian schools. Information on funding changes for our systemic schools in Broken Bay at this point in time is unclear. You may consider communicating with our local federal MP, The Hon Tony Abbott, to express your questions or concerns regarding the funding changes.

St Kieran's hosted the first of three sessions of *1-2-3 Magic*, a parenting program hosted by the diocesan Parent Education Team. Parents from St Kieran's and other northern beaches Catholic schools heard about the challenges of modern day parenting and strategies that are able to assist. This is one of the many opportunities for parents to attend evening sessions on topics that are of interest. On Tuesday evening the staff listened to an experienced principal who has had many years in educating teachers and parents about the differences in educating boys and girls. During Term 3 there will be another opportunity for parents to hear this talk at an evening education session. We will let you know more in the weeks to come. Thank you to Mrs Alyson Perry for her assistance in setting up for the 1-2-3 Magic talk on Wednesday.

As of Thursday there were 30 responses to the brief survey on the riding of bicycles to and from school. If you haven't had a chance to complete the survey, [Click Here](#). The survey will remain open until next Monday.

This Sunday our Year 6 children and their families have the opportunity to take part in the parish Mass in the evening. Of course it is open to all families from St Kieran's. I hope you are able to make it along.

God bless

Michael Gallagher  
Principal

### National Simultaneous Storytime

National Simultaneous Storytime is an important annual campaign that aims to encourage more young Australians to read and enjoy books. Now in its 17<sup>th</sup> successful year it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy using an Australian children's book that explores age appropriate themes, and addresses key learning areas of the National Curriculum for Grades K to 6 and the pre-school Early Learning Years Framework.

### **About National Simultaneous Storytime**

Every year a picture book, written and illustrated by an Australian author and illustrator is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. This year, the K-6 students of St Kieran's will participate in NSS on Wednesday at 11.30am. The book to be read is, "The Cow Tripped Over The Moon," by Tony Wilson.

The aim of National Simultaneous Storytime is to:

- promote the value of reading and literacy;
- promote the value and fun of books;
- promote an Australian writer and publisher;
- promote storytime activities in public libraries and communities around the country.

### The Premier's Reading Challenge

Congratulations to the students who have already completed the PRC. For those still reading, don't forget to log your books.

In library lessons this week, Kindergarten read, "On the Day you were Born" and Yr 1 and 2 read, "Family Forest." These books can be added to their PRC reading logs.

Last week a flyer was sent home about the Book Bonus to encourage sponsorship for the PRC. Please take the time to read this flyer and also consider sponsorship for your child while participating in the PRC. This is a great way to get more books for our school as well as helping those schools less fortunate than us. Click [here](#) .

### Infant's Library Borrowing

Just a reminder re the K, 1 and 2 library days as there seems to be a lot of students without library bags recently.

- Tuesday: KC, KH, 1L, 2C and 2S

### Band

To all band parents and members,

I would like to remind everyone that band arrival time is 7:15am sharp as we need this time to set up the room and get as much rehearsal time as we can. Thank you in advance.

Rehearsal for both bands this week went really well, getting through lots of new repertoire for the up-coming performances. One performance is confirmed for Monday, 19 June at Forest High. Please put this date in your diaries as both bands will be performing that night.

Senior band is practicing *Pink Panther* and *Harry Potter* this week. Junior band is practicing *Let's Rock* and *Power Rock* this week.

I'm looking to what's in store this term  
Miss Hodges, Band conductor

**Book Club:** The current issue of Book Club has now closed. No late orders will be accepted.

### 'Stronger Families, Stronger Communities'

"Families are society's most important building block. Strong families equate to strong communities because they embody caring for others, connectedness with people and provide hope, support and comfort" - *Dr Brian Babington.*

Thank you to the students of St Kieran's Catholic School for their wonderful and creative paper chain families. A number of these highly decorated family chains have arrived at school and look spectacular. Well done children.

Please remember in your prayers the Year 3 children who are preparing for the Sacrament of the Eucharist. Thank you to the parents, group leaders, teachers and Parish Sacramental team who are leading the children in their journey of faith.

All members of our school community are invited to **CELEBRATE SUNDAY** at the St Kieran's Church this **Sunday evening at 6 pm.** Year 6 students have prepared the readings and singing at this Mass and will be involved in many aspects of the celebration. With Music Ministry by Ben Marshall and the Youth Band **CELEBRATE SUNDAY** at 6 pm proves to be a vibrant and alive celebration of our faith. Our sincere thanks to Ben M for sharing his talent and involving our young musicians in prayer.

*Mrs Kerrie Wetzlar, Religious Education Coordinator*

**Caritas – Project Compassion:** Could all Project Compassion boxes please be returned to school.

### Qkr!

St Kieran's is now using Qkr! (by MasterCard) as an easy to use, secure phone app for making payments (school, canteen Caritas etc) payments from your mobile phone. Qkr accepts payment using ANY credit/debit card (except American Express) and has a simple checkout function. No information is stored on the mobile phone. We encourage all credit card payments to be completed through Qkr particularly for school fees or other special events. Instructions for download can be found on the school [website](#).

The screenshot shows the Qkr! app interface. At the top, there are logos for Qkr! and MasterCard. Below that, it says 'TIP OF THE WEEK'. The main content area contains a question: 'Q. Can two parents set up an account for the same student?' and an answer: 'A. Qkr! offers the ability for two parents to set up accounts for the same student if needed. However, please note that the two accounts are independent and no details are shared between them.' To the right of the text is an image of a smartphone displaying the app's 'Student Profiles' screen, which lists two profiles: Charlotte Jones (PSPD 11, Pres) and James Jones (10, Year 3).

### Head Lice

Unfortunately it seems that nits or eggs seem to be present in some children's hair. Head lice are more of an inconvenience than a serious health problem, however they are a problem none of us wishes to have. We realise that this is not a reflection on the hygiene of your child or your family as head lice can infest anybody. Our aim is to eliminate the problem at our school. We urge all families to address this issue as it is one which can be easily eradicated with vigilance.

To help us break the cycle of infestation, could you please check **your** child's hair. Further information in regard to treatment can be accessed from NSW Health:

<http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx>

# Running for Liam

Dear friends and families,

As you all know, Liam Donohoe (Ellie's brother – Yr6) was diagnosed with Leukaemia last year.

At the beginning of this year his family and friends organised to raise money for the Leukaemia Foundation. As soon as I found out about this I knew I wanted to do something to help them.

I have always wanted to run a race (being the daughter of a marathon runner...) so I have decided it is time to do it. I will do it for Liam.

On Sunday, 21<sup>st</sup> of May, I will be running my first race ever; I will run the SMH Half Marathon (21.1km).

If you would like to make a donation please do so via the below website.

<https://secure.leukaemiafoundation.org.au/registant/FundraisingPage.aspx?registrationID=679246&langPref=en-CA&Referrer=direct%2fnone#&panel1-2>

I have become a "Friend of Liam" and all donations you make will go to the Leukaemia Foundation which gives Aussie families, facing blood cancer, the emotional and practical support they need. You will also help fund vital research so more people survive blood cancers like lymphoma, leukaemia and myeloma.

You may not know but blood cancer is the third most common cause of cancer death in Australia, claiming more lives than breast cancer or melanoma. And every day another 35 people will be diagnosed.

Donating just \$52 will help ensure someone being treated in hospital gets a personal visit from a highly-trained health professional so they get the extra support they need. No matter how much you give, it's an extraordinary way to make a difference.

THANK YOU VERY MUCH IN ADVANCE!

Karen (mum from Yr 6 and Yr 4)
