### Dear Families

Welcome to St Kieran's for 2018. With Kindergarten starting school today, St Kieran's is now operating with all engines running! Our new forty-four smiling faces settled into their classes very quickly this morning while their parents gathered in the hall for some tea and tissues! Many thanks to our Year 6 parents who prepared the morning tea and served and welcomed the Kinder parents.

Sadly we began the year with the news of the passing into eternal life of young Eddie Sharp. A celebration of Eddie's life will be held tomorrow in our parish church commencing at 10.30am. Many thanks to the classmates of Isabel's who will be singing in the choir and for all the other people providing support to the family during this difficult time. Please keep the family in your prayers.

During the school holidays the library and iCentre were converted to the Stage 3 learning space which we now call The Hub. The teachers spent many hours preparing the space for the children's return and by the look on the children's faces on Tuesday morning, they were "blown away" with the result. While The Hub is fully operational, we are waiting for the delivery of some new furniture which will arrive in the next few weeks. If you haven't had the opportunity to visit the space, the teachers are more than happy for you to have a walk-through before school. We will have a more formal opening once the furniture is in. The new Library is also ready for use with a lot of effort by Mrs McGuire and her parent volunteers over the last week.

As well as our new families in Kinder, we also welcome the Quijada Gonzales family (1R and 4K) and the Turner family (3B and 5/6C). You are all very welcome to our St Kieran's community.

I wish you and your family a happy, healthy and prosperous year ahead. I look forward to working together in providing the best education for our children; academically, emotionally and spiritually. I hope to see as many of our families at the Beginning of Year Mass next Friday morning.

God bless

## SCHOOL NEWS

### Arrival and Dismissal

- Please try to ensure your children **arrive at school on time**. Arriving late and walking into a settled classroom after the bell can often cause a child unnecessary anxiety and separation problems.
- **Late Notes** – If your child arrives after the first bell **they must to be accompanied by a parent to the office**. Parents are to fill in a late note and your child will be given a slip to present to their teacher.
- **Dismissal** - Also please ensure your child knows how they are getting home and with whom. Late messages are sometimes hard to deliver, especially if the class is at sport, yoga, Italian, music, library, church etc
- Parents using **drive through pick up** from the car park in the afternoons are to ensure they have the correct (surname) sign for the teachers on duty to see. Handwritten signs and signs written in light/thin font are not visible and can cause confusion.
- **Kindergarten parents** received signs this week and if there are **any parents** in other grades requiring a new or updated sign, we ask that you contact the office and request one.
- **Parking** - Please be respectful of our **neighbours**. When dropping the children off in the morning or collecting them in the afternoons please respect the rights of our neighbours and refrain from pulling up in their driveways even for a short time. Rangers frequently patrol at their request.
- **IMPORTANT - All Families:** Please complete and return a [Dismissal Form](#) for each of your children and return to your child's class teacher regarding their normal dismissal arrangements.

### Student Medications

All student medication must be accompanied by the correct forms. Please ensure medication is current and well within its expiry date. Please send in medication, clearly marked, and updated forms. **All medication needs to be accompanied with signed consent by the referring doctor.** No medication will be given under any circumstance without a medical practitioner's consent.

### School Fees

Invoices for 2018 were emailed to all families at the end of January from the Catholic Schools Office. This invoice shows the total due for the year and the amounts and dates payment is required. Please adhere to your payment schedule as requested on your family registration form.

- If you are paying in the standard three instalments first payment is due by 23 February,
- If you are paying monthly, fees are due by 15<sup>th</sup> of each month.
- For other instalment types please check your invoice.

If you wish to change your time payments or discuss your fees please contact [Julia.postle@dbb.catholic.edu.au](mailto:Julia.postle@dbb.catholic.edu.au)

Statements will be emailed to all families at the beginning of each month showing amounts owing. Unpaid fees will be referred to the Catholic Schools Office for collection unless other arrangements have been made.

### Medication Reminder and Expiry

If your child requires medication at school please ensure you have completed the correct forms and that the medication you supply has been approved by a doctor and that all medication has sufficient expiry dates.

No medication will ever be given without written approval from a doctor, this includes Panadol, Nurofen etc.

### Photographing your Child at School

Parents and carers often enjoy photographing their children at school. Today this often includes sharing the images on social media. It is important to note that the child protection laws and the privacy laws respect the rights of parents to not allow photographs of their children to be posted online without their written consent. It is important to crop the images of students in the background that are easily identifiable before sharing any school photos of your children particularly on social media.

# What Happens at St Kieran's Library

- Bring their library bag every week.
- Return and borrow each week.

## Urgent - Car Park Helpers Required

We are urgently in need of volunteers to help at dismissal time for approximately 20 minutes on a Monday, Tuesday and/or Friday. Are you intending to be in the school playground for pick up on these days after school?

Ideally, we just need three people, who can then alternate their weeks with other helpers. The more helpers that can get, the less frequent the job! Come on St Kierans we are a great community and we need some more people please!

You will get the opportunity to wear one of three coloured fluoro vests, full 'on the job' training will be given, if required, on how to manoeuvre the STOP/SLOW sign! Your children will love to see you out there helping, so please let the office know, if you are able to help in anyway.

## Birthdays

Teachers are happy for the children to celebrate their birthdays at school, but please make this stress free and mess free by supplying cupcakes, slices or pre-cut cakes. Always ensure you have enough for all members of the class

and please take into consideration the allergy issues associated with the individual class. Also a reminder that the school has limited space in providing cold storage.
