## Dear Families

I remember when Term 3 was once a relatively quiet term; how times have changed! With all that is happening over the next few weeks, it is anything but quiet. School musical, disco, Trivia Night, Kinder zoo excursion, The Bear Pit, Northern Beaches Public Speaking Final, Feast Day Masses and Father's Day Breakfast, just to name a few. Amongst the busy-ness of this time, it is important to allow your children time to "chill out" and have down time. That is the purpose of Fallow Week, but that is not until Week 7!

Many of these events are organised by the Parents and Friends Association. This is made up of volunteers who spend many hours planning and organising social and fund-raising events for both students and parents. I would like to thank all those involved in the P&F for their efforts and the many hours they have put into organising the "big events", as well as the day-to-day work that is done behind the scenes. At the moment we have the social committee organising the Trivia Night, Year 4 class parents organising tonight's disco and the P&F executive organising Monday night's meeting as well as the Father's Day Breakfast. You can make their job easier by ensuring you book and order by the due dates. It makes life much easier for everyone.

The Homework Survey was sent home on Tuesday and so far there are 167 responses! Thank you to everyone who has taken the time to share their thoughts. There was an issue with a couple of questions that limited responses but this was corrected on Wednesday. The survey was due to close at the end of today but I will now keep it open until Monday morning. A summary of the feedback will be shared at Monday night's P&F meeting which will be held in The Hub at 7pm.

Wednesday evening's school musical, *The Wind in the Willows*, was a great success. What wonderful talent we have in our school, some known and some just discovered! Congratulations to the Stage 3 students for their fantastic performances, to The Song Club for their singing and to Miss Channell and Mr Waller for their magnificent efforts in putting together such a wonderful production.

I ask you to keep our Year 6 students and their teachers in your prayers for next week as they head off to Canberra on Wednesday. By then things may have cooled down a little in the nation's capital but they are assured to have a wonderful trip with such a busy itinerary and many significant places to visit.

We wish our Bear Pit speakers, Eve S. and Jessica C. luck when they present their speeches at Parliament House next Monday. Best of luck also to the Year 6 Public Speaking finalists, Katie S. and Zanthé J. who will be taking part in the finals at St Kevin's Dee Why next Tuesday.

A huge congratulations to Opal B who received an invitation from Tony Abbott to the Local Sporting Champions afternoon tea on 4 September. Opal, along with other athletes in the area, will be acknowledged and congratulated for her sporting successes this year. Last week, Opal returned from Darwin where she competed in the NSW Basketball team at National level. Not only was Opal chosen to compete for NSW, she was also selected to captain the team.

To get into the state team, Opal was selected first for Broken Bay and then the Polding team. To make it all the way to Nationals for ONE team is a huge accomplishment, which makes it even more incredible that Opal has made it into TWO State teams and will be competing for NSW again next month for Netball. We wish you all the best Opal.

Finally, congratulations to the Christofides family on the safe arrival of a baby brother/son. Mum and baby are doing well!

God bless

Michael Gallagher  
Principal

### Religious Education

#### ***Celebrating the Feast of St Augustine.***

##### *St Augustine of Hippo*

Nobody becomes a saint overnight. In the case of Saint Augustine, he was born in northern Africa in 354 CE, while it belonged to the great Roman Empire. His birth name was Aurelius Augustinus.

His family wasn't poor, but they didn't have enough money to educate anyone except him, meaning his brother and sister didn't get to go to school. While it may sound great to not have to go to school, it meant that they had to do hard work instead of learning.

After completing his schooling, he decided he wanted to teach others, instructing them in debate and public speaking. He caught the eye of the Roman Emperor and got a very good-paying job as a head instructor. However, he lasted only two years before he got tired of it and looked for a life change.

The transition from Aurelius Augustinus to Saint Augustine began when he was in his 30s and joined the Church, which at the time was the religion of the entire Roman Empire. He became famous for being able to write very persuasive books about religion, while also giving **sermons**, or religious speeches, that common people could understand, even if they did not have an education. By the age of 40 he became the bishop of Hippo, where he would remain for the rest of his life.

### Book Week

The students did an amazing job dressing up as a book character who they "treasure." Everyone was very excited to show off their costumes (including the teachers!)

In library lessons this week, the students in Kindergarten, Year 1 and Year 2 were very excited to hear which books won or received an honour award.

Many thanks to the parents and students for all their efforts to make it a truly fun day.

Book Week festivities continue next week with the K-2 students watching the "Treasure Hunt" performance on Thursday morning. A group of Year 6 students, including the Library team, will also attend the Children's Book Council Book Week, "Lunch with The Stars" at ICMS Manly on September 4.

### Premier's Reading Challenge

ONE WEEK TO GO!

116 students have finished the PRC – what an amazing effort. For those still reading, please ensure that all books are logged by midnight next Friday, 31 August.

Also, it is not too late to get sponsors for books read by participating in the Book Bonus,

<https://www.bookbonus.org.au/>

St Kieran's is currently in 9<sup>th</sup> place for fundraising and if we make it into the top 5, we receive a bonus \$1000 worth of books!

### Upcoming Survey

In the coming weeks we will be inviting students in Years 4-6, teachers and parents to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process.

We will be providing details over the next few weeks for you to complete the Tell Them From Me (TTFM) Partners in Learning survey.

As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at St Kieran's.

The survey is anonymous and will take approximately 20 minutes to complete. You will be able to access the parent survey on your computer or mobile device. Please check the *Newsletter* next week for details on how to go about accessing the online survey.

If you have any queries about the survey, please feel free to contact me at school.
