Religious Education

Thank you to the Year 3 students and teachers for a prayerful St Kieran's Day Liturgy. This was a great way in which to kick off our St Kieran's day celebrations. St Kieran certainly did have huge impact on many people during his life of service to God.

St Kieran was born in Connacht, Ireland. Following study and working for the poor he built a monastery on the banks of the Shannon River in Offaly. This monastery became a great centre of Irish learning, prayerfulness and devotion. St Kieran is known as one of the twelve apostles of Ireland and Ireland's earliest Saint.
