**READY, SET, SCHOOL!** – Preparing your child for the school journey. We will be hosting a community workshop for parents and an interactive morning for children to prepare for school life on **Thursday 25 October from 9.30am to 10.30am**. We would love our school community to spread the word to local pre-schools and families of pre-school aged children. View details [here](#)

At the end of the first week of Term 4, the Parish is hosting the Colour Run at St Augustine's on **Sunday 21<sup>st</sup> October**. Details were sent home last week with the children. I encourage you to take part in this fun day for the

students while supporting the parish with raising funds to refurbish the parish centre. If any of our parents with a nursing background would be able to assist with first aid, Janette Davidson from the parish is keen for some support. Let the school office know or contact the parish directly.

Students from all classes are able to enter a photo competition called the **Catholic World View Photo Competition** sponsored by the School Photographer. For more information [click](#) here.

At the end of the term there are a substantial number of outstanding school fee accounts. I ask that you look at these over the next few weeks to ensure that you are up to date with your account. Thank you for your assistance with this.

A reminder that **Monday 15<sup>th</sup> October** is a pupil free day. The children start school on Tuesday 16<sup>th</sup> October in summer uniform. I wish you and your family a peaceful and restful break and look forward to seeing you back in Term 4.

God bless

Michael Gallagher

A new computerised system for student attendance is being implemented in our school over the holidays.

Students who arrive late or leave early will need to be signed in via a new computerised Parent Kiosk. They must be accompanied by a parent.

Linked to this Parent Kiosk will be other features that will be introduced at a later date. This would be an ideal time to ensure your **current email and phone numbers have been given to the school**. There will be more information and parent education sessions on how to use the new system in Term 4.

## Netball Nationals in Darwin

A huge congratulations to Opal B who captained the NSW State Netball Team at Nationals last week in Darwin. The team played extremely well, receiving the bronze medal on Friday 21 September. Well done Opal for representing St Kieran's and the State of NSW with such pride, talent and modesty.

## Religious Education

### SAVE THE DATE!

Our school community will be begin celebrating Christmas with Christmas Carols in the school grounds on **Friday 7 December commencing at 6pm.**

Christmas Carols at St Kieran's was started by, and has been led by, our parent community. At this point we would like to call upon parent musicians and their friends to volunteer to play at this year's Christmas Carols. Our teachers will prepare the children's singing for the evening and **we are requesting musical parents to play.** If you are able to assist with our carols evening please let the office know and we will put you in contact with like-minded parents.

Liturgically, Term 3 is a busy term for our school. We have celebrated the feast days of St Augustine and St Kieran and we prayed especially for our fathers and grandfathers in a Liturgy led by Year 1. We remembered and prayed for the children in Year 3 who celebrated their First Eucharist and Year 2 who completed their Sacraments of Initiation with their Confirmation.

Our Year 6 Mission Team attended the Diocesan Mission Day and our Liturgy Team continued to led us in prayer and oversee the smooth running of Masses and Liturgies. Thank you to these students who display enthusiasm and responsibility for their leadership roles within the school.

During Term 3 teachers attended professional learning designed to deepen their knowledge, understanding and teaching of the Scriptures. Five teachers have also participated in Diocesan led reflection days.

At the conclusion of Term 3, I would like to extend a heartfelt 'THANK YOU' to all the musicians, priests of the parish, teachers, parents, children and office staff at both our school and parish offices who have participated in our various community and religious events this term. Without you our celebrations would not be so well prepared, reverent and meaningful.

Please put Thursday 6 December in the diary and on the fridge for the Xmas Dads' curry bash at Urban Tadka, Terry Hills <https://urbantadka.com.au>

This is a great restaurant and the food is very good. More details to follow but in essence it's an all you can eat and drink banquet with pick up and drop off at St Kieran's as per previous years. Whilst I haven't got the final numbers it's generally around \$110 per head inclusive.

I am also looking to do a quick curry beforehand on Friday 26 October. It may be short notice for some and that's fine. Venue to be confirmed. Again let me know if you would like to come. Also as always **all dads** are welcome.

### **New Children's Liturgy of the Word (Clow) Co-Ordinator Needed for North Harbour Parish**

I have really enjoyed co-ordinating and being involved with children's liturgy for many years now. I remember starting children's liturgy when my first daughter, Sarah was in Kindergarten at St Kieran's school and Sarah is now 23 years old so we're looking at over 18 years. I can't even remember when I took on the role as co-ordinator but it probably was a couple of years after starting as a volunteer. I can truly say that Children's Liturgy together with being a Catechist is the most satisfying and rewarding ministries that I have been a part of. However, I feel that it is time for me to step down as co-ordinator and a volunteer of children's liturgy and for someone else to take on this very satisfying and rewarding role.

I am looking for someone to take on this role beginning in Term 4 of this year, Monday, 15 October. You may even wish to share this role with a friend or two.

So you may ask what's involved in being co-ordinator of children's liturgy? Here are some points:

- At the beginning of the year a roster for St Cecilia's and St Kieran's is put together.
- Each week on Mondays or Tuesdays resources (readings, prayers of the faithful and activity sheets) are put together and delivered to the persons who are rostered on for that week. Most of the resources are already photocopied and filed in folders and it's only the occasional week that you need to photocopy from scratch.
- You liaise with the volunteers of both St Cecilia's and St Kieran's churches.

If you think this is something you can take on or would simply like more information about what is involved in being a co-ordinator, please feel free to call me anytime and I would be more than happy to have a chat and meet up with you.

## Dr Kristy Goodwin

Did you miss the recent free talk with Dr Kristy Goodwin?

1. **Parents need to be pilots of the digital plane** (not the passenger): our kids need guidance and direction about how to navigate the Digital world – we must take an active role as parents.
2. **Keep devices out of bedrooms:** research is confirming the digital devices in bedrooms delay the onset & quality of sleep plus there are safety concerns with devices not in common areas.
3. **Balance kids screen time and green time:** kids still need outdoor unstructured play, as natural sunlight may help to prevent myopia (misogynist) and is essential for brain function.
4. **Focus on more than simply how much screen time kids are accumulating:** Also consider *what, when, where, with whom and how much* screens are being used, as time is only one aspect.
5. **Be mindful of our own digital habits** – kids are literally wired to imitate. As parents we need to be mindful of how they using digital devices, as parental digital destruction has resulted in increasing rates of childhood playground injuries and is changing child parent interactions.
