Dear Families

This morning we celebrated the Beginning of School Year Mass with Fr Dave Austin, our new parish priest. He blessed us for our year ahead and commissioned our Year 6 Leaders in their various roles. We especially remembered Mrs Terri Paterson, thanking her for her many years of leadership at St Kieran's. Fr Dave reminded us that each of us has been given a name at birth, but Christ knew our name before we were born and loves us no matter what happens. Fr Dave also congratulated the students for their reverent participation in today's Eucharistic celebration.

Last year we conducted a survey on how we can best communicate with our community and the newsletter was voted the number one form of communication. While we always endeavour to communicate as clearly, accurately and regularly as we can, we ask that you read the newsletter weekly so that you do not miss important information contained in it. This year we are investigating new ways of sharing information succinctly. **Compass** will take the place of many communication channels so it is vital that you have downloaded the app or accessed website. Contact the school office if you have not received the information in an email.

I would like to remind families about road safety around the school and in the school car park. **The safety of our students is paramount and every one of us has a responsibility to ensure they are safe.** If you use Gordon Street, park your car when dropping off or picking up children; do not pull into driveways or double-park. Small children cannot be seen behind cars and are at risk of being hit by reversing cars. To run smoothly, car park requires following some simple rules. These were emailed home recently.

Mathematical Assessment Interviews (MAI) will be conducted on Friday 15 March. **Contact the school office if you require supervision for your child as the day is a pupil free day.** There are two more pupil free days during the year that you will be notified of once they have been confirmed.

Welcome to the Taylor family (Year 1) who joined our school community this week. Congratulations to Lachlan Hendricks who is representing our school and Diocese in tennis at the Polding Trials being held in Lismore today.

God bless

Michael Gallagher

FROM THE ASSISTANT PRINCIPAL

Learning Support at St Kieran's

Our Learning Support Program is a multi-layered program designed to meet the needs of specific students as well as providing collaborative support in terms of the teaching and learning class programs.

Children who are identified as having a learning disability receive regular, ongoing 1:1 or small group support from myself as the Learning Support Teacher. Children, who are identified by their teacher as requiring support or extension in their learning, can be assisted in a variety of ways. They could receive 1:1 or small group support from the Teacher's Aide/Learning Support Assistant (Kerrie Powell) or the Learning Support Teacher (Marisa Bombardieri).

Once the class teacher has discussed this with the Learning Support Teacher and the Principal, a program is written (Learning Plan) outlining the particular focus for that child and how long the intervention will last. This intervention can last from one term to more if required. The Learning Plans teachers write usually support the children in areas of Literacy or Numeracy.

At times, however, children will require specific support in areas such as **Occupational Therapy** or **Speech Therapy**. These areas are quite specialised and have, in recent years become a more regular avenue of therapy for primary aged school children. Teachers may suggest that (Speech or Occupational) therapy could be beneficial for your child. If this is the case, then an initial assessment by the therapist would ascertain whether therapy would be effective. Parents often aren't familiar with the assistance Speech and Occupational therapy can offer and so the following is an outline of exactly what these specialised areas are about.

Have a lovely weekend.

2019 Stage 3 Musical - "Pantastic"

Preparations are well underway for our 2019 Stage 3 Musical that will take place in Term 3. Our performance this year will be "Pantastic" (*By Tom Kirkham and Matthew Crossey*) which is a take on the classic book "Peter Pan" by J.M. Barrie.

The children in Stage 3 (Years 5 and 6) will once again star as actors, singers and dancers in the performances. The children in Song Club will provide vocal accompaniment.

This week, Years 5 and 6 children have been provided with a copy of the script. Any Stage 3 child who is interested in auditioning for a part in the musical, are asked to prepare a brief excerpt from the script (no more than a minute) and a song of their choice for auditions. The audition schedule is below:

- Week 3 Tuesday – Year 6 Girls
Wednesday – Year 6 Boys
- Week 4 Tuesday – Year 5 Girls
Wednesday – Year 5 Boys

The performance will be on Wednesday 14 August (Term 3 Week 4). As in previous years there will be a matinee and an evening performance. Performance times will be confirmed at a later date.

We look forward to uncovering some amazing actors, singers and dancers in Stage 3 over the coming weeks.

Library News

Welcome back for another exciting year in the library!

Please take note of the day your child is able to borrow books as they **must** have a library bag.

Parent Help – I always need help for shelving and covering books. If you would like to continue, or to start helping in any way in the library, please fill in the form towards the end of this newsletter. If you have not contacted or covered books before or would like a refresher, I will hold a very quick session straight after school at a convenient time. We will send home about a dozen books for covering once or twice a term at most. If you wish to help shelve books you can choose to come in the morning or afternoon – whichever is more suitable. Many thanks and happy reading

The poster features the school's crest on the left, which includes a cross and the motto 'TO LEARN AND TO LOVE'. To the right of the crest is a photograph of two young boys in school uniforms smiling and working on a project. The background of the poster is a mix of white, blue, and green. The text is arranged in several sections: the school name, the event title 'OPEN DAY' in large blue letters, the date 'WEDNESDAY 3 APRIL 2019', and a call to action 'ENROL NOW FOR 2020'. Below this, the event times for an open morning and a twilight tour are listed. A short paragraph describes the school's curriculum and offers school tours. At the bottom, the school's address, phone number, and email are provided, along with the website URL.

Dads' Curry Night

A big welcome back to School for all children and parents.

To all our new dads (K-6), and current dads of course.

This is just a short note to let you know that I have been running an informal *Dads' Curry Night* over the past 5 years!! (I have children in Yrs 4 & 6). We try to catch up every 6-8 weeks at different Indian restaurants around the area. It's a great informal way to get to know other dads from St Kieran's from Kindy classes upwards.

We would welcome any new comers to come along and be part of the St Kieran's community.

It's a great place to meet new dads who are in the same shoes as you and meet all of us who have been part of the community for quite a while 😊.

The first Curry Night will be in Manly on March Friday 15 March. We will meet in the front bar of the Steyne 6pm onwards and head to the restaurant for 7.30pm.

Please email me howardgiles100@hotmail.com, to let me know if you would like to come and I can add you to the list. Generally we have 30 -50 Dads come along.

Look forward to meeting you.

Cheers Howard
