

FUN RUN

MADE2MOVE

22 MARCH 2020

GRIFFITH PARK
LONG REEF HEADLAND
COLLARROY

On March 22nd, the annual Gotcha4Life Fun Run is happening on the beautiful Northern Beaches. We would love the support of your school to promote the event to the students and the wider community. There are opportunities to join as a team or individual and we encourage families and friends to make a morning of it.

Registration is now open for the 3km, 5km and 10km events. Stay after the run to enjoy the festival atmosphere. There will be food, entertainment and activities for all ages.

This unique event encourages the community to get outdoors, exercise and spend time together with friends and family, building social connection and a sense of togetherness.

All funds raised will go towards delivering impactful and inspiring mental fitness workshops and training programs, including schools like yours.

THIS IS A FANTASTIC EVENT FOR FAMILY AND FRIENDS

HOW YOU CAN HELP

- Share the attached flyer through your school's digital channels
- Provide your sports/wellbeing teachers with the attached flyer and encourage them to promote it
- Print and send the attached flyer home with your students
- Print the attached flyer and display around the school

Please see attached flyer or [click here](#) for more details.

I am available to discuss your involvement, Please call me on 0419 340 211 or email vanessa.orr@gotcha4life.org

With Kind Regards,

Vanessa Orr.

Head of Community Engagement.
