

young investigators science club

Fun extracurricular science

Young Investigators is an extracurricular hands-on Science Club run by Eye Heart Science.

Developed by Scientists to give students in K-6, opportunities to work scientifically while promoting collaboration and problem-solving skills.

Young Investigators explores a new and exciting Science topic every term including Chemistry, Engineering, Earth Sciences and more.

TERM 1 TOPIC: SPACE

Head to our website to read about the exciting experiments we will be conducting!

Weekly Science Classes

Day: Wednesday or Thursday Mornings

Time: 7:30am - 8:30am

Who: K-6 aged children

Location: Downstairs Band Classroom

Start date: Monday 7th February 2022 (second week of school term)
